A romantic couple is shown in a close embrace on a beach. The woman, with long dark hair, is wearing a white lace bikini top and bottom. The man, with short dark hair, is wearing a white t-shirt. They are sitting on a white towel or blanket. The background shows a white railing, green foliage, and a body of water under a bright sky.

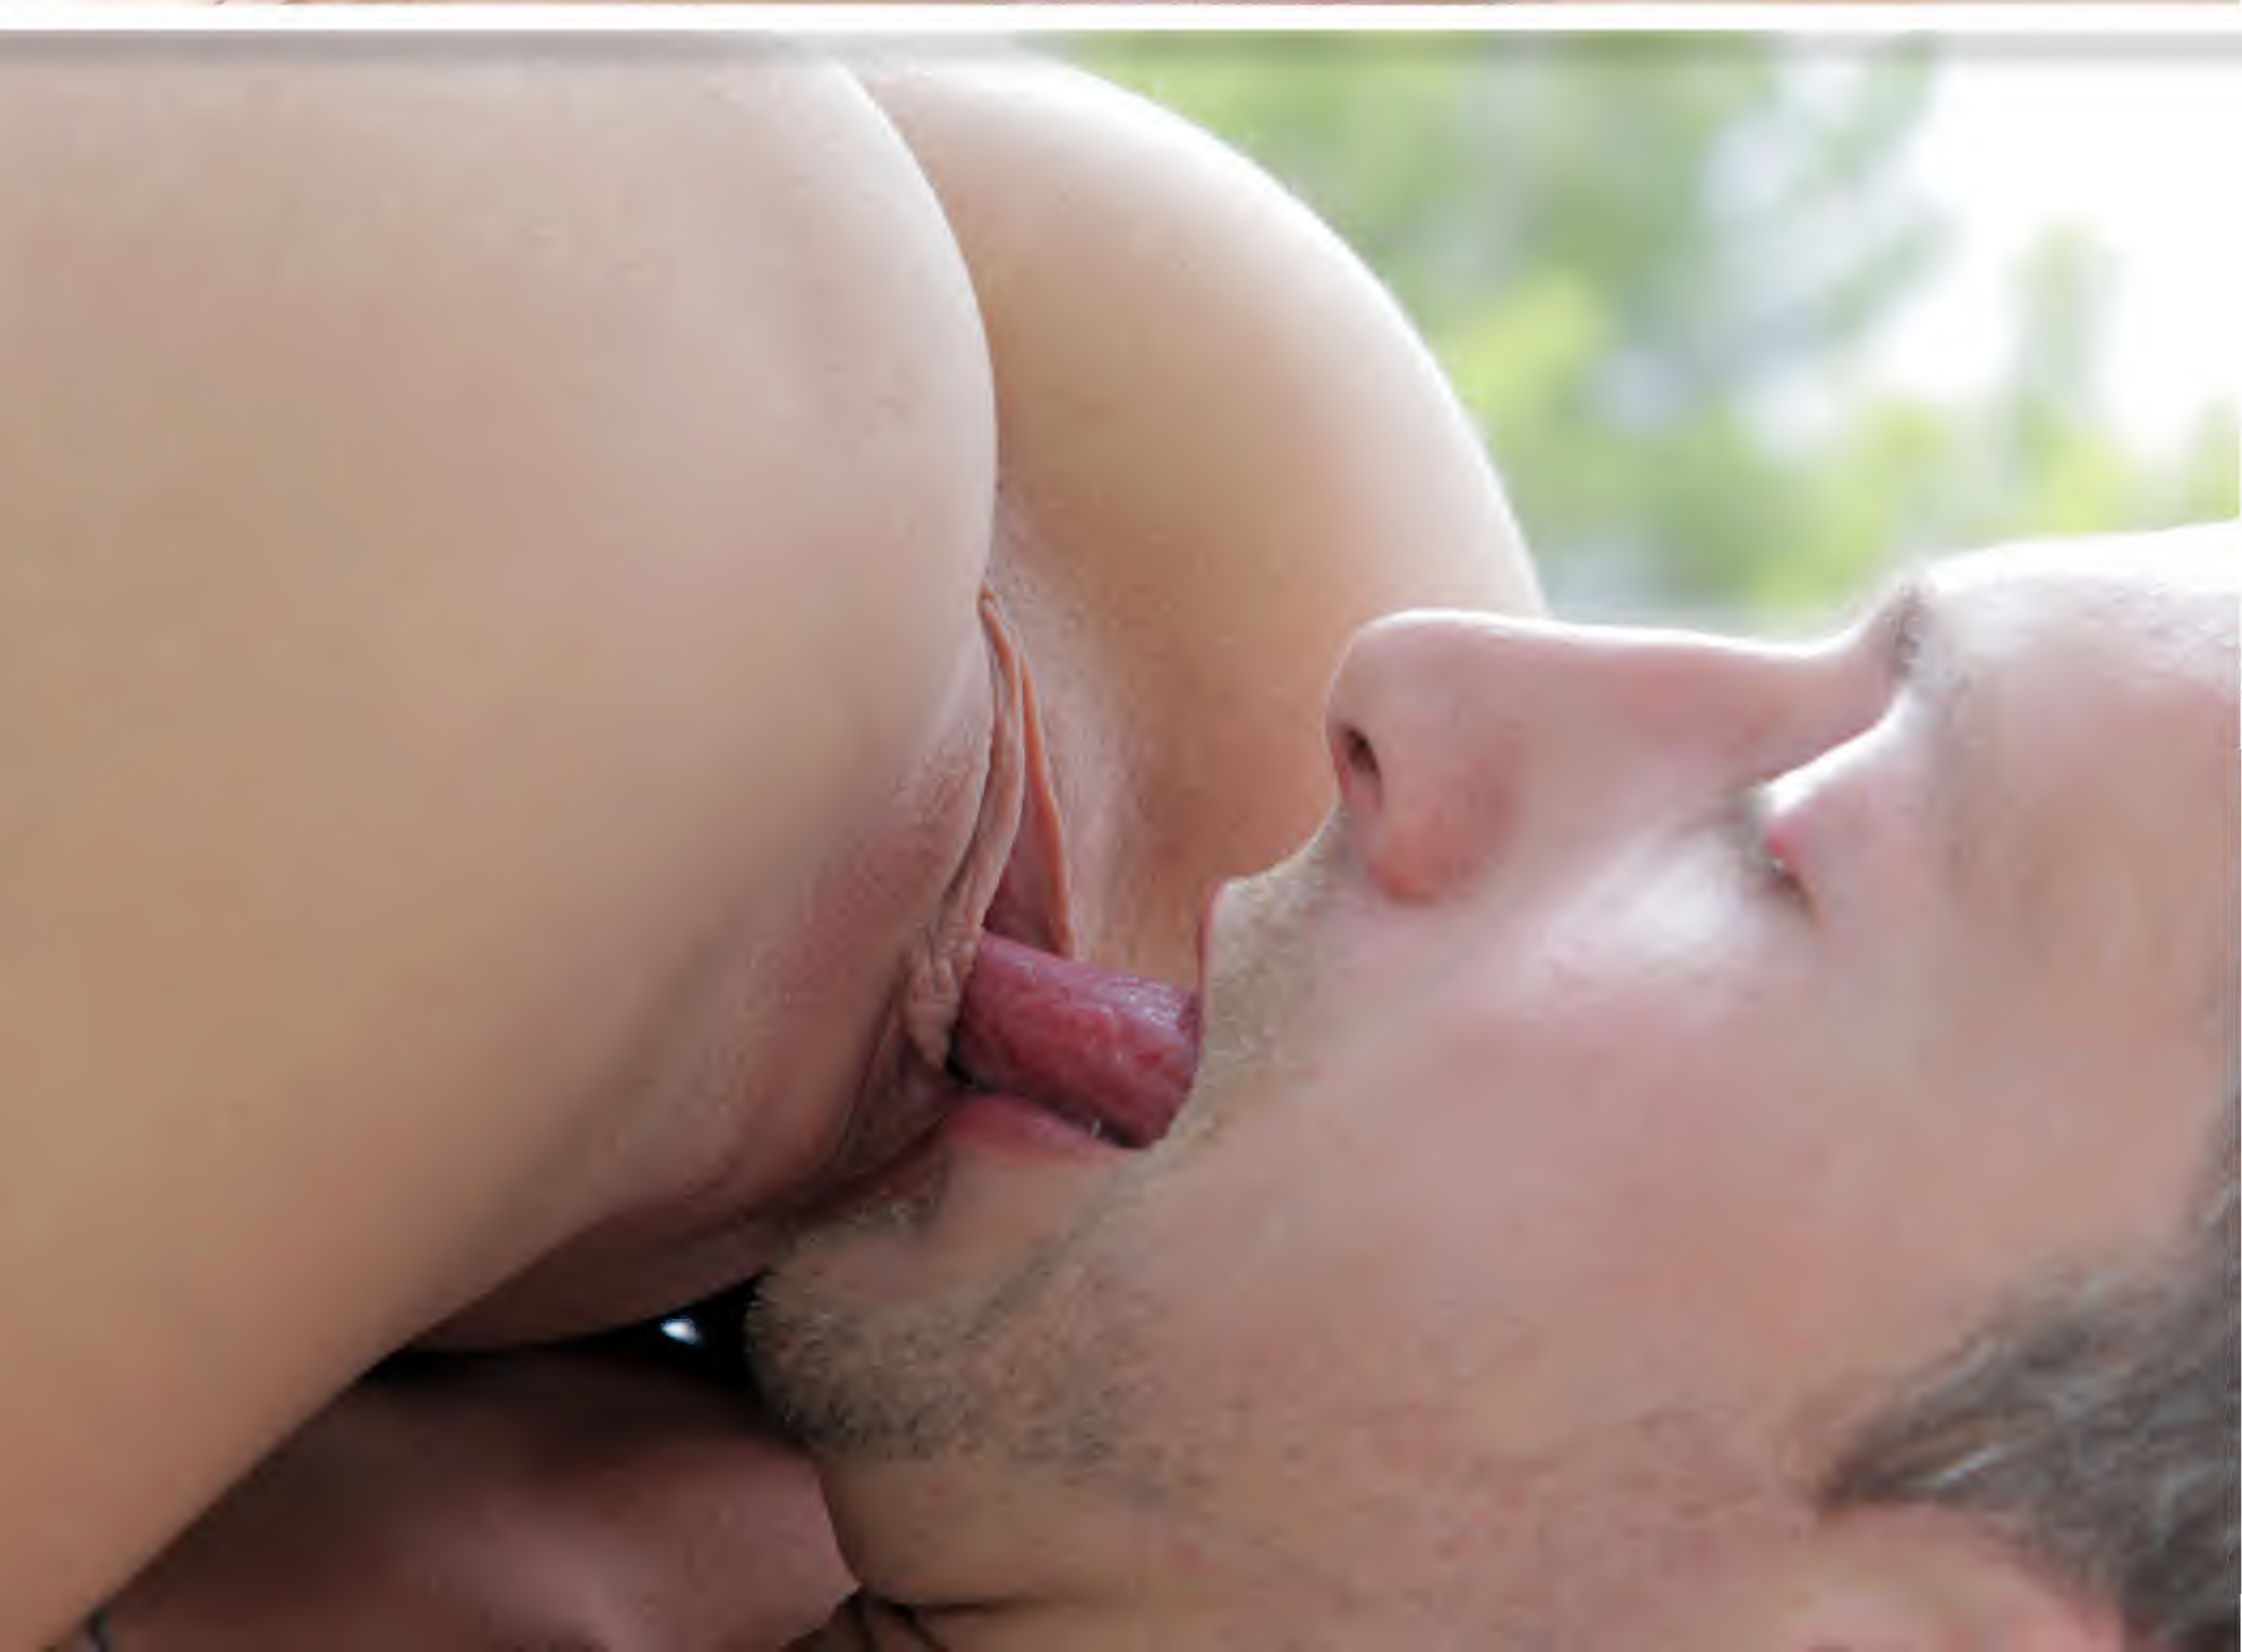

READY FOR LOVE

Sometimes the soul needs to be worked out. Sometimes it's the need for human touch and sexuality. There's just something about being adored for just being yourself. Just being a woman. Just being a sexual animal. Now that's something that can be done by all.

ORALLY YOURS

It all happened so fast that I didn't have time to think. My boyfriend, Tommy, and I went back to his apartment after the movies. We were kissing, you know, and his hands were creeping up under my blouse and playing with my boobs. I was so hot that my panties were soaked through, and I was just throbbing. I was feeling his thing through his pants, just like always. I was squeezing it and playing with it, just like he'd showed me before. But this time, he unbuttoned his fly and hauled it out. It was really hard and hot, and the head was all wet and sticky. He took my hand and wrapped my fingers around his fat, throbbing stalk. I started touching it, rubbing and squeezing it, hoping I was doing it right.

He was breathing so heavy, and he was so horny, it was almost scary. But I kept playing with him, letting my thumb circle the head of his cock and smearing his juices all along the thick stem. I thought he was going to come any minute, and that I was going to see him shoot. I was all excited because watching him got me totally turned on, too.

Tommy was way impatient, though. He was pinching and tweaking my nipples, making me even hotter and hornier. It wasn't like I didn't want it. I did, more than anything—but the truth was, I was scared.

Soon he slipped his hand up under my skirt, which I had gotten used to. But then he lifted the elastic waistband of my panties and pushed his hand under it. I was ready to melt, and eager to let him do anything he wanted to. His fingers tickled me, sliding up and down my wet slit, then poking into my hot pussy. I could only imagine how good it would feel to have his thing inside me, rubbing and tickling my insides.

My very first bee- jay- ever!

Hello Mr. Editor, I'm writing to tell you about an experience I had a month ago. It's not like me to write to a men's magazine, or any magazine, but it was, I'm told, a life changing event -- my first blow job -- ever! If it's life changing or not, I'll let you know later.

I'm a twenty year old college student on summer break after my freshman year. I've had this really cute, blonde girlfriend for a few years now, and we've promised

Anyway, by then his tongue was in my mouth, teasing and tasting, and driving me crazy. I knew we had to do something, that the tension had built to the boiling point.

"I want you," he whispered. "I can't wait anymore, Katlyn. I need you now, tonight."

"I know," I whispered back. "But I'm scared. What about birth control?"

He didn't answer me at first. But that's when he put his hand on the back of my head and pushed my face down into his groin. "Suck it, please," he whispered. "Then we won't have to worry about anything."

I didn't know what to do. I mean, I'd read about giving head and all. I just wasn't sure I knew how. But he didn't seem to care about that. He just wanted it.

I blew on the head, and his thing just swelled up and quivered with excitement. Then my lips brushed against the wet, sticky tip.

"Oh, yeah, that's so good," he groaned. "Come on, just kiss it," he whispered. "I gotta come, Katlyn. I've waited so long."

I wasn't sure I was doing it right. But I kissed it again and again, then let my tongue flick against the big, rounded tip. He was getting more excited, twisting his fingers in my hair. So I opened my mouth, just a little, and let his hard-on slide onto my tongue. It was so smooth and hard that I couldn't get over it. I swirled my tongue over and around it, then poked into the slit. He moaned and humped upward, forcing his thing into my throat.

I gagged, pulling back so I could catch my breath. But I couldn't wait to let it slide over my tongue again, because it really did feel good. I wanted to suck it. Actually doing it was way better than everything I'd read. Quickly, I dived down again, clamp-

ing that thick hunk of meat in my jaws.

Soon my head was bobbing up and down, Tommy's thing sliding in and out of my wet lips. I was a little worried about him coming in my mouth. I hoped I could handle it. I drew it in deeper until it was banging against my tonsils.

He was moaning and groaning. "Oh yeah, baby, suck it. Take it all."

Listening to him was making me even hotter, so I reached down and started playing with myself. I slipped my hand up under my skirt and panties and started rubbing. I knew I was going to come, and I couldn't even wait for him. The feel of his thing sliding in and out over my tongue was making me totally hot. It all happened so fast that I know he didn't expect it. My whole body was trembling. I couldn't see his face, though, so I didn't know if he knew.

He was getting more impatient, jamming my face down and humping up at the same time, so that his thing was pounding into my gullet. He was still ramming in and out of my mouth when his whole body started to jerk and twitch. I was almost holding my breath as his big thing started to shoot. It seemed like the warm liquid squirted out forever before it stopped.

I swallowed again and again, gulping mouthfuls until not a drop of his juice was left. Then he let his thing slide out of my mouth.

"Kiss it again," he whispered.

I looked at that thick cock, all purple and quivering, and I planted a kiss right on the very tip. Then I looked up at him. He smiled at me. "That was so good, Katlyn."

And I felt satisfied, too. I had wanted to do it with him all along. I was just scared. But now that I knew there was nothing to be afraid of, that I could really enjoy sucking it, I wasn't sure I could ever get enough after that. I was sure that Tommy felt the same way. So I had nothing to worry about.

Katlyn; Michigan

ONE STEP CLOSER

Bobbi Jo and I went out last night, just like lots of other nights. We drove down to the point after we went out to eat. She makes me really hot and horny with her sexy body, you know.

But up until last night, she wasn't willing to put out, not even a little. She was so nervous, so uptight. I was sick and tired of taking cold showers after every date. I just didn't know what I was going to do. Talking didn't seem to make a difference. When I explained how men have needs, she just looked sympathetic. But it didn't change anything.

Anyway, we parked so we could look out onto the water. She scooted over into my arms, just like she was made for me. I was so horny already that my cock was straining against the front of my faded jeans, just aching for her touch. I pressed my lips to hers and let my hand creep up under her sweater. She didn't pull away, just let me lift her bra over her tits so I could play with them.

I guided her back onto the seat and moved between her legs. I was humping up against her, hoping it would get her so hot that she would finally give in. I know it was making me hot enough. I didn't want to stop, even though I knew coming in my pants would be messy. But she just pushed me away. "No, Jon, stop it. I can't."

I was really pissed off as I let her go and sat up. "What am I supposed to do?" I demanded. "We've been going together for months, and I want you so much."

"I know. I'm just scared."

"There's nothing to be afraid of. I wouldn't do anything you didn't want me to."

"Maybe if we could just go slow, maybe then I wouldn't mind."

"Baby, we're already going so slow, we're stopped."

"I'm serious, Jon. If you didn't expect me to just go all the way, all at once, maybe

each other that we would stay celibate until we married. Well, that turned out to be a pipe dream.

Anyway, we finished freshman year together and this summer we talked some more about it. I broke down and told her there were a lot of co-eds that were coming on to me all year. I said that I did my best to control myself and stay faithful to her. But I also told her that my hormones are raging and I didn't know if I could hold back any longer.

She said she understood and she, too, was feeling horny a lot. I told her I found myself masturbating more than I should. Then, she took my hand, led me to her bedroom, made me sit on the bed and slowly undressed

it wouldn't seem like such a big step."

"Okay. I won't," I promised. "Let's just make out, like always, and see where that takes us."

She seemed to relax, letting me pull her close once again. I slipped my hand under her sweater and played with her tits, tweaking and pinching her nipples. We kissed, long and hot, just like always. I shoved my tongue into her mouth, teasing and tasting. "You're so hot," I whispered. "I need you." Then I groaned, taking her hand and pressing it into my lap.

She hesitated for a moment; then started squeezing and rubbing my cock. Pre-cum oozed into my shorts, soaking the cotton fabric. "Oh yeah, baby, play with it. I gotta come."

But I really didn't want to come in my jeans. I tugged at my zipper, hoping it wouldn't scare her away. I hauled my cock out and started stroking it. "Just touch me," I pleaded. "Hold it in your hand."

My cock was hard and hot, dripping with my juice. Her touch was tentative, as though she really were afraid. Finally, she wrapped her fingers around the throbbing shaft and started stroking it.

She seemed really uptight at first, then seemed to relax as she got used to the stiff rod in her fist. Her thumb circled the rim, then poked into my gaping slit. "Oh man, that's so good, Bobbi. Don't stop."

Her pace quickened, stroking and squeezing. I was really close, but I didn't want to come too soon. It had taken me so long to get her to this point that I wanted this moment to last.

I played with her boobs, then let my hand slip up under her skirt. She didn't try to stop me, just let me explore her body. I pushed my fingers under her panties and let them slide up and down her wet slit. She moaned and humped against my hand. She was as horny as I was.

My fingertips made tiny circles over and

me. She kissed me and reached for my cock. I moaned louder than I should have. Then she moved down my body and took my cock into her mouth. I couldn't believe how it felt.

Then she put both hands around it and began stroking and sucking at the same time. I thought I was about to blow, but held myself back. Suddenly, she pulled her mouth off my cock and slid one of my balls into her mouth. I never expected it to feel this good. She played back and forth with them, all the while stroking me and looking me right in the eyes. After another five minutes, I couldn't hold back any more and exploded into her mouth. She took it all. We did it again three more times that night!

Erik, Memphis

around her clit, then poked into her hot pussy. She had never let me get this far before, and it was awesome when I realized that she wanted it as much as I did. I teased and tickled her, letting my finger wiggle around inside that soft pussy.

Her hand slid easily over my wet, sticky cock, bringing me closer and closer to explosion. I groaned and humped, shoving my cock into her fist. "Oh yeah, I'm going to come," I whispered. "I can't wait."

My cock jerked and twitched in her fist, and my cream exploded into the air. It splattered my shirt and trickled down over her hand. She didn't pull away or anything, just let me keep playing with her pussy.

Then she moaned and her body trembled. I could feel her pussy tighten around my finger as the first waves swept through her. All I could do was watch, amazed, as the orgasm ripped through her body with the force of a hurricane. It seemed to go on and on, until I could feel my cock throbbing with heat all over again.

She didn't say a word, just rested her head on my shoulder when she finally finished. I pulled some paper towels from the glove box, and we wiped up. Then I pulled her close and kissed her again. "That was terrific, Bobbi. Thank you."

"Yeah, it was," she agreed. "I never thought it could feel that good."

I was totally excited. For the first time I was hopeful that she would really let me fuck her, that she would agree to go all the way with me.

"Maybe next time we can go further?" I asked.

"Maybe," she agreed. "But it has to just happen—be spontaneous."

I didn't say another word, not wanting to spoil the moment or risk the possibility that next time I would actually score. I just kissed her and turned on the engine.

BIG TEASE

Yes, I was a big tease in high school and college. I teased all the boys and girls, and even my professors. I'd wear a lot of belly shirts and yoga pants that shoed off my butt and, I admit, my cameltoe. I could tell when they were looking and used it to my sexual advantage.

I LOVE THE WAY A PENIS TASTES

Kimmy bought her polka-dot top and plaid skirt with a specific audience in mind — her postal carrier. She's had a crush on the mailman for two years, and she's been flashing him her perky tits and trimmed beaver for months now, trying to get his attention. When he shows up at her door today, Kimmy is going to pop out of her top and offer to blow him. Kimmy might be disappointed to find her mailman called in sick, and his replacement is a 300-pound woman with overactive sweat glands. But it probably won't stop Kimmy from seducing her because, she's horny!

TIGHT RIDE

My boyfriend got me into fixing old cars, that is cars from the fifties and sixties. After we finished, we would always christen them with oral sex in the front and a good fuck in the back. Since the fronts were usually bucket seats, the easiest way was with a blow job or cunny. The back seat saw a whole lot of action, so there are people out there fucking in cars that we already broke in.

doing whatever to make a sale?

A little less than a month ago a new men's store opened at the mall near my house. I had wanted to stop in and see what they carried but work was just so time consuming that I didn't get the chance. Until last weekend.

I noticed in the paper they were still having their grand opening specials and I needed a couple pairs of slacks for work. So Saturday morning I went in about 10:30 and looked around. It seemed like a nice store and there were probably five or six single guys in the store, a few couples and several single women. The salespeople were dressed in black pants and dark

maroon polo shirts with name tags on them. All were smiling large and doing their best to make a sale.

I found a display of dressy slacks and started rummaging around in them to find my size. After a few minutes, a petite, but quite attractive, salesgirl came over and asked me if I needed any help. I looked up, smiled and said I was doing fine. She said if I needed any help, her name was Ashlee. I smiled back -- and she winked at me.

Now I'm not the best looking guy, but I'm not bad. Almost six foot, 24 years old and starting to lose my hair. I'm looking for a 34 x 34 pant, no cuff.

One in black and one in dark blue. I find a black one and head off for the dressing room. I find an empty room (they were all empty) and tried them on. Too big. I go back for a smaller size and see Ashlee straightening the pant display I was just at. I kinda apologized for making a mess and she just giggled and asked if those fit. I told her I needed a smaller waist and told her 34" would probably be right.

She quickly found one and handed it to me and I said that if these fit, I would like to get a pair in dark blue. She said she'd find one as I headed back to the dressing room. I went in and hung the pants on a hook as I undressed. Then I heard someone else come in to the changing area. I heard the latch on my dressing room door open. In steps Ashlee with the dark blue pair and says that I should try these on too. I'm standing there in my boxers with a cute salesgirl really wanting to make the sale. Then I felt a long fingernail trace the waistband of my boxers.

I struggled to say something appropriate, but instead I felt my blood begin to rush as she tugged at my underwear, pulling them down around my ankles. She pressed herself against me and I could feel her nipples through her polo shirt. She took it off and her pants, too, to reveal a nicely matched red and black undies set. She planted a kiss on my neck and my mind began to reel as her hands found my cock and she began to play with it. My cock was erect by now and I closed my eyes as one of her hands slid up and down the length of my shaft, and the other began to knead and massage my scrotum. I reached down and rubbed my hand against her crotch as I pushed

her against the wall and knelt down in front of her. She pulled her panties down in one swift motion.

She was smoothly shaved and smelled sweet and a little musky, and that was a huge turn on. I kissed her tummy and worked my tongue down on her mound. She spread her legs slightly, and she gasped as I began to nuzzle in her mons. I began to kiss and lick softly along the opening of her pussy lips, and she lifted her legs so that her weight was now being borne on my shoulders. I teased her pussy, kissing and licking it. She wrapped her legs around my head and pressed my face tighter into her crotch. Her fingers were running through my hair as I sucked on her pussy, and her breathing became quicker and louder.

Ashlee couldn't take anymore of my tongue and climbed off of my shoulders drawing me to my feet. She made me sit on the bench and immediately went for my cock. She took it into her mouth and began pumping furiously.

I closed my eyes and listened to the sounds of her slurping and sucking on my cock were driving me crazy. She gave my cock one long suck and then stood up. She wrapped her legs around my waist and I guided my cock into her sweet pussy.

She leaned into me and began nibbling on my neck as she humped my cock. Everything she was doing was driving me crazy. I kissed her, and I felt her tongue trying to enter my mouth but most of my attention was directed towards fucking her brains out as quickly and as quietly as possible. I adjusted my penetration so that the majority of the friction was against her clit. As I pounded in and out, she began biting my ear while trying not to scream.

I could feel my come beginning to rise as well, and I told her so. In response, she tightened her grip on my waist and I increased the rate of my pumping.

I moaned into her ear that I was about to cum and she told me to hold it for a moment and got off me. She dropped to her knees and took my cock, and then all my spurting love juices, deep into her mouth. I held her head there as I emptied my balls into her warm mouth. When I was done, she stood up and gulped a last swallow and licked her lips. She fixed her hair as best she could while I got my clothes back on. She exited the dressing room and disappeared into the store.

I took my two pairs of slacks up front to the register to pay, all the time looking around for Ashlee. I didn't see her so I paid with my card and went home, wondering if this was a new approach to selling clothes. If it is, then I'll be back to find out next weekend!

A woman with long, wavy brown hair is sitting on a wooden chair at an outdoor table. She is wearing a red lace long-sleeved top and black shorts. She is smiling and holding a glass of red wine. On the table, there is a bottle of wine, a glass of water, and two plates of cake. The background shows a black metal fence and green foliage.

We girls just need some time together after working all day, and standing on these damn heels all day. But after we finish brunch, we're going to chill out inside and maybe, no probably, no surely get together to do the horizontal mamba. We can't wait to get these clothes, and shoes off and start feasting on each other's sweet tasty pussies. Yum!
